## Mentee Covenant

We are hereby making a commitment to the following:

1. I desire to grow in my relationship with Jesus in order to fulfill the purpose for which God has called me. Therefore, I will be open to feedback from my mentor and will endeavor to receive it in love and learn from it. I want to learn and grow to be more like Jesus in every aspect of my life.
2. I commit to attend every meeting and retreat, to be there on time, and to complete all my assigned homework. We will layout our schedule for the year at our Kickoff Meeting. I will manage my other commitments around the dates that are selected for meetings and retreat. I am committing to the entire season and will finish well.
3. I affirm that my responsibilities and family commitments will allow me the time and energy required to successfully complete this program.
4. I know that my mentor pledges to give the same level of commitment, dedication, and energy to each of us.
5. I commit to use this time to listen to the Lord's direction in how He may lead me to serve in our church and community based upon my gifts, season of life, and passions.
6. I commit to total confidentiality. What is said in the group stays in the group. This confidentiality does not supersede the law and must never cover up a current or future threat to the health or well-being of another person.
7. I have discussed this commitment with my husband and he fully supports my involvement. He willingly relinquishes the time I will need to attend the sessions and retreats and to do the reading and homework, with the goal of becoming a godlier woman, wife, and mother.
